Dear Mr + Mrs Ward,

I recently had the fascias replaced  
at the above address (15.9.2010).

My thanks to you for providing  
such an excellent service - firstly Mr Ward for your  
assessment of the job that needed to be done & for the  
explanation of the procedure - & to you Mrs Ward  
for your phone calls to keep me up to date.

I was very impressed with  
Paul + Steve who were very efficient & worked  
well as a team.

I would not hesitate to recommend  
the Nexus firm.

Yours sincerely,

Louise McVais-Young,
