Re Invoice ref order # 8222

Please find the enclose cheque for £897 for the above invoice. I am pleased to report that inspection of the windows & doors showed a well finished, functioning team. The Installation workman did a great job, worked well with the owner, cleared the area and minimized dust. overall a very pleased owner. I hope to request further work in the future.

Please forward guarantee & FENSA Certificate.

Regards

Yrles Bunn
