Hi Gina/Martin -

Just to say thank you so much for your genuine concern in respect of my window needs. It is very much appreciated, and also Ginas call in respect of the black door frame. Hope I have not been marked as a 'fussy' customer! But as eyes are the windows of the soul I think windows are the soul of a house - get it wrong as lots do - and the house will never look anything.

For info. my cousin is a builder in Northampton - his profiler has said that you are an excellent company who fit excellent products.

Regards.....
