Subject: Hi....

Martin/Gina -

We would like to thank you very much for our windows/doors/fascias. The fitters were excellent and did a wonderful job - everything looks lovely - certainly 'brightened' up our street! We would have no hesitation in recommending you in the future. So glad we had cream! Weather permitting we are hoping to paint the porch etc to match this weekend.

Considering the amount of work involved we have not noticed many 'faults.'

Thank you once again.

Regards
